Dear Parents, Carers and Students,  
*"What a night! I highly recommend Mark's session and his books to assist all of us to improve our parenting style. Mark is very knowledgeable and funny. With years of experience as a teacher, parent, author, counsellor, conference presenter and his own business focussing on helping parents with challenging kids he is very well qualified in his field. Thank you OLOR for organising such an informative night and it was great to see so many parents from our community attend."* A comment from a parent this morning.

Again, I thank all those families who took the time out to come along to our Parent Information Night last night. It is very reassuring to see and know that our parent population is learning alongside the staff, to find different strategies of improving behaviour, learning and well-being outcomes for all the students who attend the school. Mark's session and information is something that we can all be continually reminded about so each week in our newsletters I will highlight one of his tips for all of us. Have a great holiday break.

### Mark Le Messurier's Tip

No one likes the idea of their children feeling unhappy or picked on at school and it can be hard to keep calm and react rationally and proactively. Here is this week's strategy: *The most important thing is to reinforce to your child how special and unique they are. Life's hiccups are much easier to deal with when we have a good self-esteem. Note that it is actually OK for your child to be sad at times. It is a part of life. A good self-esteem helps us deal with the range of human emotions.*

### End of Term

On Friday we will conclude the term with Assembly organised by the Year 1 Class in the school hall/gym at 2.00pm. All children will be dismissed at 2.20pm at the school hall/gym. Parents are welcome to attend the assembly but please refrain from parking in the kiss and drop area. The church car park or Verran Terrace are the safest areas to park. Next term Mrs. Jenny Segui will be on leave. To replace her 3 days teaching role in the school Mrs. Megan Rudd will be teaching Chinese for the remainder of the year as well as providing teacher release time. Mr. Anthony Segui will be supporting Mrs. Mel Angeleski on Fridays in the Years 3/4 classroom.

We wish Jamie, Oscar, Regan, Darcy, Jed, Kye, Harmon, Mitch, Layne, Charlie, Lana, Katelyn, Tia, Marley and Madison all the best and hope they have a ball! Good luck!

We wish Nicolette a safe and wonderful experience meeting with other Catholic youth from around the world to see Pope Francis.

**NAIDOC Week** celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. This week classes have had some class activities and decorated their prayer tables to support our local Aboriginal and Torres Strait Islander community.
