Paul D, William H, Yianni E and Oliver S. enjoyed Footy Colours Day last Friday.

Dear Parents, Caregivers and Students,

On Sunday we hope your dads (or significant males) and parents were able to join together and celebrate with one another as a family. Although it is termed 'Fathers' Day', it is appreciated that many other significant adults and mothers play the role of 'dad' in children's lives.

Best wishes to all our significant care-givers, we hope you had an enjoyable day, especially our fathers.

National Child Protection Week (3rd to the 9th September)

National Child Protection Week invites all Australians to play their part to promote the safety and wellbeing of children and young people. "Protecting children is everyone's business."

Launched on Father's Day every year National Child Protection Week, now in its 27th year, supports and encourages the safety and wellbeing of Australian children and families.

Playing your part can range from encouraging children and young people's participation in their community or promoting a family friendly environment at your work.

Communities in which children are seen and heard, where their participation is valued and where their families can get the support they need are stronger communities which contribute to keeping children safe and well.

NAPLAN Results

NAPLAN reports for students in Years 3, 5, and 7 who sat the national tests in literacy and numeracy earlier this year, will be sent home with students today. Your child's report shows national information including how your child performed in relation to other students in their particular year group, and against the average score for each of the Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy tests. Parents are invited to speak with class teachers should they at all have any queries.

OLOR Playgroup – B.O.P & B.O.P.P.E.R.S. Tuesdays 9 till 11 am

This Spring come along and enjoy our on site facilities and engaging activities. Young children need a stimulating environment to play and learn. OLOR's playgroup offers babies, toddlers and young children a wide variety of early learning experiences. It is also a great way for your child(ren) to learn about the world, make friends and develop social skills. Playgroup also gives mums, dads, grandparents and caregivers a chance to share ideas and experiences. Playgroup also assists in developing physical skills, teaches problem solving, communication and social interaction and, of course, it's great fun! Any family in the Riverland region is welcome to come along.
